

Notice of Availability of Finding of No Significant Impact

Interstate Highway 30 from Cooper Street to State Highway 161 and State Highway 360 from Brown Boulevard/Avenue K southward to Road to Six Flags Tarrant County and Dallas County, Texas

CSJs: 1068-02-076, 1068-02-104, 1068-02-127, and 1068-04-903

This notice is to advise the public that the Texas Department of Transportation (TxDOT) has issued a Finding of No Significant Impact (FONSI) for the proposed IH 30 project extending from Cooper Street to State Highway (SH) 161, including the SH 360 interchange area extending from Brown Boulevard/Avenue K to Road to Six Flags, in Tarrant County and Dallas County, Texas. The project would provide up to ten general-purpose lanes and auxiliary lanes on IH 30 from Cooper Street to SH 161 (approximately 5.0 miles). The capacity of IH 30 would also be improved by converting the existing two concurrent high-occupancy vehicle (HOV) lanes to a reversible two-lane managed toll/HOV facility from Center Street to SH 161. The limits and general configuration of the existing IH 30 frontage roads would not be altered, except that one-way collector-distributor roadways between Ballpark Way and Six Flags Drive would be constructed to facilitate local access.

The proposed improvements would also provide from six to eight general-purpose lanes along SH 360 from Brown Boulevard/Avenue K to Road to Six Flags Street (approximately 1.6 miles) and a fully-directional interchange to improve connectivity between IH 30 and SH 360. The proposed interchange would require reconstructing the SH 360 main lanes, local access ramps and frontage roads. The project design includes plans for constructing sidewalks and shared-use bicycle accommodations.

Copies of the FONSI, approved Environmental Assessment, and Public Hearing Documentation are available for public inspection and reproduction at the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133. For further information please contact Ms. Donna Fowler, TxDOT Fort Worth, via phone at (817) 370-6549.
