**TEXAS DEPARTMENT OF TRANSPORTATION  
TERMS AND CONDITIONS**

**PART 1. INTRODUCTION**

**1.01 GENERAL:** These Terms and Conditions shall apply to all solicitations for goods and/or services [including without limitation any Request for Quote (RFQ), Invitation for Bids (IFB), Request for Offer (RFO) and Request for Proposal (RFP)] offered by the Texas Department of Transportation (TxDOT) (each, a “solicitation”) and any purchase order issued by TxDOT (“purchase order” or “contract”). The term “response” or “bid” shall mean the proposal, quote, bid, or offer made to TxDOT in response to a solicitation. The term “respondent” or “bidder” shall mean any party who makes a response to a solicitation, including the vendor. The term “vendor” or “contractor” shall mean the party listed as vendor on the purchase order.

**1.02 STATUTORY AUTHORITY:** This procurement falls under the statutory authority of Government Code Chapter 2151 (commonly known as the “Purchasing Act”), Chapter 2155 (Purchasing: General Rules and Procedures), Chapter 2157 (Purchasing Methods) and Chapter 2161 (Historically Underutilized Businesses, “HUBs”). The purchasing procedures include statutory requirements and those requirements established by rule of the Texas Comptroller of Public Accounts (CPA), Statewide Procurement Division (SPD) as contained in 34 TAC §20.31 and other applicable Federal and State statutes and rules herein cited.

**1.03 TITLE VI ASSURANCE:** TxDOT, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and 49 C.F.R. Part 21 and 28 CFR Section 50.3 (for purposes of this Section and Section 6.10 only, the “Acts” and the “Regulations,” respectively), hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin, in consideration for an award.

Nondiscrimination programs require that federal-aid recipients, sub-recipients, and contractors prevent discrimination and ensure nondiscrimination in all of their programs and activities, whether those programs and activities are federally-funded or not.

**1.04 ENVIRONMENTAL IMPACT:** It is the intent of TxDOT to purchase goods, equipment, and services having the least adverse environmental impact within the constraints of statutory purchasing requirements, departmental need, availability, and sound economical considerations in accordance with 34 TAC §20.307 and 20.306.

**1.05 COMPLIANCE WITH LAWS:** The vendor shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any court or administrative bodies or tribunals in any matter affecting the performance of the purchase order, including if applicable, workers’ compensation laws, minimum and maximum salary and wage statutes and regulations, prompt payment and licensing laws and regulations. The vendor shall maintain all required licenses, certifications, etc. throughout the term of the purchase order. When required, the vendor shall furnish TxDOT with satisfactory proof of its compliance.

**PART 2. GENERAL INSTRUCTIONS**

**2.01 SPECIFICATIONS**

- (a) The respondent shall carefully examine the solicitation. The respondent shall be responsible for securing any additional information from the TxDOT purchaser needed to gain a clear and full understanding of TxDOT’s requirements.

- (b) TxDOT will not be bound by any oral statement or representation contrary to the written specifications of the solicitation. Any revision, clarification, or interpretations pertaining to the solicitation will be in writing and issued by TxDOT as an Addendum. Any changes or interpretation not in an Addendum will not legally bind TxDOT. Any Addendum must be issued through TxDOT's purchasing department.
- (c) The goods furnished or services performed shall be in accordance with the specifications set forth in the solicitation and with these Terms and Conditions. TxDOT will provide clarifications of the specifications and determine the quality and acceptability of goods furnished or work performed. If the solicitation is for a service, TxDOT will determine the manner of performance, the rate of progress of the work and whether the vendor's performance of the service is acceptable.
- (d) Any catalog, brand name or manufacturer's reference used in the solicitation is descriptive only (not restrictive), and is used to indicate type and quality desired. Responses on brands of like nature and quality will be considered unless advertised as proprietary or sole source under Texas Government Code Section 2155.067. The respondent shall show manufacturer, brand or trade name, and other description of the product offered in response to the solicitation. If offer is for other than example(s) shown in the solicitation, include illustration(s) and complete description(s) of product(s) in the response to the solicitation. If respondent takes no exception to specifications or reference data in the response, the vendor will be required to furnish brand names, numbers, etc., as specified.
- (e) Unless otherwise specified, all goods offered shall be new and in first class condition, including shipping and storage containers. Verbal agreements to the contrary will not be recognized.
- (f) Manufacturer's standard warranty shall apply unless otherwise stated in this solicitation.
- (g) All electrical items shall meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC, or NEMA.
- (h) Any iron or steel product produced through a manufacturing process and used in the project must be produced in the United States, to the extent required by Texas Government Code Chapter 2252, Subchapter F. That Subchapter generally applies to purchase orders to (A) construct, remodel, or alter a building, a structure, or infrastructure; (B) supply a material for a project described by subsection (A); or (C) finance, refinance, or provide money from funds administered by a governmental entity for a project described by subsection (A).

## **2.02 RESPONSE SUBMISSIONS**

- (a) Respondent shall submit the number of responses required in the manner stated in the specification or on the solicitation.
- (b) Response should be submitted on the solicitation form. If submitting multiple responses, each response should be placed in a separate envelope, correctly identified with the solicitation number and opening or closing date. If no solicitation form is provided, responses shall be submitted as required in the specification.
- (c) Response must be time stamped in TxDOT's mail room or hand delivered to the address on the solicitation before the hour and date specified for the solicitation opening or closing. Late responses will not be considered under any circumstances. Late responses will be returned unopened to the respondent.
- (d) Documentation provided with the response should be complete and comprehensive. TxDOT will not be responsible for locating or securing information not included in the response. Failure to furnish required documentation with the response may result in the response being deemed incomplete and non-responsive, resulting in rejection. TxDOT will not be responsible for any expenses relating to responses or development of documentation that may result from this solicitation.
- (e) Failure to sign the solicitation manually will disqualify the response. The person signing the response must have authorization to contractually bind the company. The solicitation response

shall include an Employer Identification Number (EIN), full firm name and address of company. The EIN should be entered in the space provided on the solicitation.

- (f) Facsimile (FAX) responses may be submitted to the FAX number provided in the solicitation for procurements less than \$25,000, unless otherwise stated in the solicitation. For procurements \$25,000 and greater, FAX responses will not be considered unless otherwise stated in the solicitation. TxDOT will not be responsible for failure of electronic equipment or operator error. Responses that are late, illegible, incomplete, or otherwise non-responsive will not be considered.
- (g) E-mailed responses may be accepted if stated on the solicitation. E-mailed responses must be in Portable Document Format (pdf), signed by the respondent and attached to the e-mail to be considered for award.
- (h) RESPONDENT EXCEPTIONS OR CONDITIONED RESPONSES: Exceptions taken by the respondent to TxDOT's Terms and Conditions or respondent's Terms and Conditions attached to a response will not be considered unless specifically referred to and clearly identified as such within the response. TxDOT may reject a response that takes exception to TxDOT's Terms and Conditions.
- (i) TxDOT reserves the right to accept or reject all or any part of any response, waive minor technicalities and make an award to best serve the interests of the State. TxDOT reserves the right to reject any response not prepared and submitted in accordance with the solicitation requirements.
- (j) Response should indicate number of days required to deliver goods, or begin service (if required), at TxDOT's designated location. Failure to indicate delivery time obligates vendor to complete delivery in fourteen (14) calendar days.
- (k) Samples, when requested must be furnished at no cost to TxDOT. TxDOT may perform tests on samples. If not destroyed in testing, samples will be returned upon request at respondent's expense. Each sample shall be marked with respondent's name and address, and TxDOT solicitation number. Samples shall not be enclosed or attached to a response unless specified in the solicitation.

### **2.03 PRICING**

- (a) TxDOT's automated purchasing system requires pricing to be submitted per unit, multiplied by the quantity and extended. Unit prices shall govern in the event of extension errors. If a trade discount is offered on the solicitation response, it should be deducted and net line extensions should be shown.
- (b) All prices shall be firm for thirty (30) days from the solicitation response date unless otherwise stated in the solicitation. "Discount from list" pricing is not acceptable unless requested. Cash discounts are acceptable, but are not considered in making an award.
- (c) All purchases are on a firm, fixed price basis unless otherwise stated in the solicitation.
- (d) Price(s) shall not increase during the term of the purchase order unless otherwise stated in the solicitation. Vendor shall give price reductions to TxDOT that result from reduced cost to the vendor during the term of the purchase order.
- (e) All prices shall be F.O.B. destination, freight prepaid and allowed. This means the vendor shall prepay and include the freight charges in the unit price.
- (f) Purchases made for State use are exempt from the State and Local Sales tax and Federal Excise tax. Do not include tax in response pricing unless otherwise specified in the solicitation. State Sales tax and Federal Excise Tax Exemption Certificates will be furnished by TxDOT on request.
- (g) The purchase order may contain a "Total Cost Not to Exceed" statement. Vendor shall not perform any work that may exceed either the purchase order total or the not-to-exceed total without prior written authorization from TxDOT.

- (h) Consistent and continued tie response pricing may lead to rejection of the response by TxDOT and investigation for antitrust violations.

**2.04 ADA CONSIDERATIONS AND NOTIFICATION:** Persons with special needs or disabilities who plan to attend any pre-response conference or bid opening and who require auxiliary aids or service should contact the purchaser noted on the solicitation as the point of contact a minimum of three (3) days prior to the meeting so arrangements can be made.

**2.05 RECEIPT OF PROPOSALS AND BID OPENINGS**

- (a) **NEGOTIATED SOLICITATIONS:** At the time of opening or closing for RFOs or RFPs, only the names of respondents will be announced. Prices will not be disclosed.
- (b) **NON-NEGOTIATED SOLICITATIONS:** At the time of opening or closing for IFBs, names of respondents will be announced. Prices will be disclosed.
- (c) **DISCLOSURE OF RESPONSE:** Information submitted in an accepted response will not be returned to the respondent. The Public Information Act (PIA), Government Code Chapter 552, allows the public to have access to information in the possession of a governmental body through an open records request. Therefore, the respondent shall clearly identify in the response any confidential or proprietary information. Proprietary information identified by the respondent in the response, will be kept confidential by TxDOT to the extent permitted by state law. TxDOT merely raises the exception on behalf of the vendor. TxDOT takes no legal position on disclosure. TxDOT will use best efforts to give the respondent or the awarded vendor an opportunity to present to the Office of the Attorney General its arguments for non-disclosure of its identified confidential or proprietary information.

**2.06 ALTERATIONS OR WITHDRAWAL OF RESPONSES**

- (a) Any alterations to a response made before the opening or closing date and time shall be initiated by respondent or authorized agent. Response cannot be altered or amended after the opening or closing date and time.
- (b) A response may be withdrawn if requested in writing prior to the opening or closing date and time. A response may be withdrawn from consideration after the opening or closing date only with the approval of TxDOT based on respondent's written, acceptable reason. The response will not be considered for award but will be retained by TxDOT according to the response information confidentiality provision referenced in Section 2.05 (c).

**2.07 DETERMINING AWARD:** A response to a solicitation is an offer to contract with TxDOT based upon the terms, conditions and specifications contained in the solicitation. Responses do not become contracts unless and until they are accepted through an authorized TxDOT designee by issuance of a purchase order. In determining the best value for the state, the purchase price and whether the goods or services meet specifications are the most important considerations, unless otherwise stated in the solicitation.

- (a) **BEST VALUE CRITERIA FOR PURCHASE OF GOODS OR SERVICES:** When specified in the solicitation, the factors listed in Government Code Section 2155.074 will be considered in making a best value award. This section allows TxDOT to apply best value criteria in order to obtain goods and services that provide the best value for TxDOT. Under these guidelines, a respondent is not automatically awarded a purchase order if they submit the lowest bid response. TxDOT will be the sole judge as to which response is the most advantageous and in the best interest of TxDOT.

In determining best value, factors other than price may be considered in making an award. Those factors are:

- (1) life cycle costs;
- (2) the quality and reliability of goods and services;
- (3) the delivery terms;

- (4) indicators of probable vendor performance;
  - (5) cost of employee training associated with a purchase;
  - (6) the effect of a purchase on agency productivity; and
  - (7) other factors relevant to determining best value for the state in the context of a particular purchase.
- (b) **BEST VALUE CRITERIA FOR RFO PURCHASES:** Best value criteria will be used on all information technology equipment or service purchases. Those best value criteria include but are not limited to:
- (1) compatibility to facilitate exchange of existing data;
  - (2) capacity for expansion and upgrading to more advanced levels of technology;
  - (3) quantitative reliability factors;
  - (4) level of training required to bring end-users to a stated level of proficiency;
  - (5) technical support requirements for maintenance of data across a network platform and management of the networks hardware and software;
  - (6) items, features, etc., which are in addition to requirements listed, as well as factors which, in TxDOT's opinion, add value to the product or service but are not specifically required within the solicitation.
- (c) **NEGOTIATIONS FOR RFO AND RFP PURCHASES:** TxDOT reserves the right to conduct formal negotiations with respondent(s) judged to have the best offer pertaining to price, goods, services and terms.
- (d) TxDOT reserves the right to reject a response from a respondent whose goods or services to TxDOT or other state agencies have been documented as unsatisfactory in providing the same goods or service.
- (e) **TIE RESPONSES:** In case of tie responses, one or more preferences described in Government Code Chapter 2155 and 34 TAC §20.306 will be used to make an award. Tie responses which cannot be resolved by application of one or more preferences shall be made by drawing lots.

**2.08 PREFERENCES:** A respondent may claim a preference under 34 TAC §20.306. To claim a preference, a respondent shall identify the preference on the solicitation or on the response to the solicitation. If the appropriate area on the solicitation or response is not marked, a preference will not be granted unless other documents included in the response show a right to the preference.

**2.09 DELIVERY:** No substitutions or cancellations will be permitted without written approval from TxDOT, which approval must be issued in the form of a purchase order change notice issued by TxDOT's purchasing department.

- (a) If delay is foreseen, vendor shall give written notice to TxDOT. TxDOT has the right to extend delivery or service date if reasons appear valid. Vendor shall keep TxDOT advised at all times of the status of the order. Default in promised delivery or service date (unless vendor has received a written extension of the delivery or service date which has been signed by TxDOT), or failure to meet specifications, authorizes TxDOT to purchase goods or services elsewhere and charge the full increase, if any, in cost and handling to defaulting vendor.
- (b) Delivery shall be made between 8 AM and 4 PM Monday through Friday except on regularly observed state or federal holidays, unless prior approval has been obtained from TxDOT or otherwise stated in the solicitation.
- (c) Receipt of goods or services does not constitute acceptance.
- (d) Goods and materials shall be properly packaged. Damaged goods and materials will not be accepted. If the damage is not readily apparent at the time of delivery, the goods shall be returned to the vendor at no cost to TxDOT. TxDOT reserves the right to inspect goods at a

reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the goods at the time of delivery.

**2.10 INSPECTIONS AND TESTS:** Goods will be subject to inspection and test by TxDOT to the extent practicable at all times and places. Tests will be performed on samples taken from regular shipment. In the event samples tested fail to meet all conditions and requirements of the specification, the cost of the sample used and the cost of the testing shall be borne by the vendor. Goods which have been delivered and rejected in whole or in part may, at TxDOT's option, be returned to the vendor or held for disposition at vendor's risk and expense. Latent defects may result in revocation of acceptance. Acceptance of services shall be based on attainment of performance in accord with specifications and the purchase order.

**2.11 VENDOR PERFORMANCE:** State agencies shall report a vendor's performance on any purchase of \$25,000 or more from contracts administered by the commission or any other purchase made through an agency's delegated authority or a purchase made pursuant to the authority in Government Code, Title 10, Subtitle D or a purchase exempt from CPA/SPD procurement rules and procedures.

Past Performance: A Respondent's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of §2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Government Code. Respondents may fail this selection criterion for any of the following conditions:

- A letter grade score below 'C' in the Vendor Performance System, or a score of "legacy unsatisfactory" for historic reports submitted prior to the implementation of the current rating system,
- Being currently under a Corrective Action Plan through the CPA,
- Having repeated negative Vendor Performance Reports for the same reason,
- Having purchase orders that have been cancelled or terminated in the previous 12 months for non-performance (i.e. late delivery, etc.).

Vendor performance information is located on the CPA website at:  
<http://www.txsmartbuy.com/vpts>

TxDOT may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108) TxDOT may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of TxDOT, and any negative findings, as determined by TxDOT, may result in non-award to the Respondent.

### **PART 3. RESPONDENT AFFIRMATIONS**

**3.01 FALSE STATEMENTS:** Respondent represents and warrants that all statements and information prepared and submitted in response to the solicitation are current, complete, true and accurate. Signing the response to the solicitation with a false statement is a material breach of contract and shall void the submitted response or any resulting contracts, and may result in removal of the respondent from the Centralized Master Bidders List.

**3.02 CONFORMANCE:** The respondent warrants to TxDOT that all goods and services furnished shall conform in all respects to the terms of this purchase order, including any drawings, specifications or standards incorporated herein, and any defects in materials, workmanship, and free from such defects in design. In addition, respondent warrants that goods and services are suitable for and will perform in accordance with the purposes for which they are intended.

**3.03 GRATUITIES:** The respondent has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted response to the solicitation.

**3.04 CERTAIN BIDS AND CONTRACTS PROHIBITED:** Under Government Code Section 2155.004, a state agency may not accept a bid or award a contract that includes proposed financial participation by a person who received compensation from the agency to participate in preparing the specifications or solicitation on which the bid or contract is based. If the respondent is not eligible, then any contract resulting from the solicitation shall be immediately terminated. Under Section 2155.004, Government Code, the respondent certifies that the individual or business entity named in the bid or contract is eligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

**3.05 ANTITRUST LAWS:** Neither the respondent nor the firm, corporation, partnership, or institution represented by the respondent, or anyone acting for such firm, corporation or institution has (1) violated the antitrust laws of the State of Texas or the federal antitrust laws, or (2) communicated the contents of the response directly or indirectly to any competitor or any other person engaged in the same line of business.

**3.06 DECEPTIVE TRADE PRACTICES; UNFAIR BUSINESS PRACTICES:** The respondent represents and warrants that it has not been the subject of allegations of deceptive trade practices violations under Business & Commerce Code Chapter 17, or allegations of any unfair business practice in any administrative hearing or court suit and that respondent has not been found to be liable for such practices in such proceedings. Respondent certifies that it has no officers who have served as officers of other entities who have been the subject of allegations of deceptive trade practices violations or allegations of any unfair business practices in an administrative hearing or court suit and such officers have not been found to be liable for such practices in such proceedings.

**3.07 COLLUSION:** The respondent has not colluded with, nor received any assistance from, any person who was paid by TxDOT to prepare specifications or a solicitation on which a respondent's bid is based and will not allow any person who prepared the respective specifications or solicitation to participate financially in any contract awarded.

**3.08 INELIGIBILITY UNDER FAMILY CODE:** Under Section 231.006, Family Code, the respondent certifies that respondent and any other individual or business entity named in the contract, bid, or application are eligible to receive the specified payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate. Any respondent subject to Section 231.006 must include the names and Social Security numbers of each person holding at least a 25% ownership interest in the business entity submitting the response. This information must be provided prior to award.

**NOTE:** Pursuant to Government Code Section 403.055 and Family Code Section 231.006, a contract will not be issued to a respondent and warrants will be held by CPA if the vendor owes delinquent child support payment(s), a delinquent state tax, or other tax collected by the CPA.

**3.09 CONTRACTING WITH EX-TXDOT EXECUTIVE DIRECTOR:** Under Government Code Section 669.003, TxDOT may not enter into a contract with the executive director of TxDOT, an individual who was the executive director of TxDOT during the four years before the date of the contract, or with anyone who employs a current or former executive head of a state agency affected by Section 669.003, unless the Transportation Commission approves the contract in an open meeting and notifies the Legislative Budget Board, not later than the fifth day before the date of the vote, of the terms of the proposed contract.

- (a) Accordingly, respondent certifies that:
  - (1) respondent is not the executive director of TxDOT;
  - (2) respondent was not at any time during the past four years the executive director of TxDOT; and
  - (3) respondent does not employ a current or former executive director of TxDOT;

or

- (b) respondent and TxDOT have complied with the requirements of Government Code Section 669.003 concerning approval of the Transportation Commission and notice to the Legislative Budget Board.

Respondent acknowledges that the contract can be terminated at any time, and payments withheld, if this certification is false.

**NOTE:** If Section 669.003 applies, respondent must provide the following information as an attachment to the solicitation response: Name of applicable former TxDOT executive director, date of separation from TxDOT, position with respondent, and date of employment with respondent. This information is subject to public disclosure under Section 660.004.

**3.10 DEBT TO THE STATE:** Respondent agrees that any payments due under this contract will be applied towards any debt, including but not limited to delinquent taxes and child support, that is owed to the State of Texas.

**3.11 RESPONDENT ELIGIBILITY**

- (a) Respondent certifies that the responding entity and its principals are eligible to participate in this transaction and have not been subject to suspension, debarment, or similar ineligibility determined by any federal, state or local governmental entity, and that respondent is in compliance with the State of Texas statutes and rules relating to procurement, and that respondent is not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at: <https://www.sam.gov/>.
- (b) Under Section 2155.006(b) of the Texas Government Code, a state agency may not accept a bid or award a contract, including a contract for which purchasing authority is delegated to a state agency, that includes proposed financial participation by a person who, during the five-year period preceding the date of the bid or award, has been:
  - (1) convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Section [39.459](#), Utilities Code, Hurricane Katrina, or any other disaster occurring after September 24, 2005; or
  - (2) assessed a penalty in a federal civil or administrative enforcement action in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Section [39.459](#), Utilities Code, Hurricane Katrina, or any other disaster occurring after September 24, 2005.

Under Section [2155.006](#), Government Code, respondent certifies that the individual or business entity named in the bid or contract is not ineligible to receive the specified contract and acknowledges that the contract may be terminated and payment withheld if this certification is inaccurate.

Respondent acknowledges that if TxDOT determines that respondent was ineligible to have the bid accepted or contract awarded under Government Code Section 2155.006, TxDOT may immediately terminate the contract without further obligation to the vendor.

- (c) Respondent certifies that it is not:
- (1) A person required to register as a lobbyist under Government Code Chapter 305.
  - (2) A public relations firm.
  - (3) A government consultant.

### **3.12 NEPOTISM DISCLOSURE**

- (a) In this section, the term “relative” means:
- (1) a person's great grandparent, grandparent, parent, aunt or uncle, sibling, niece or nephew, spouse, child, grandchild, or great grandchild, or

**6.09 PAYMENT OF SUBCONTRACTORS:** As provided by Government Code Section 2251.022 Time for Payment by Vendor:

- (a) A vendor who receives a payment from a governmental entity shall pay a subcontractor the appropriate share of the payment not later than the 10th day after the date the vendor receives the payment.
- (b) The appropriate share is overdue on the 11th day after the date the vendor receives the payment.

**6.10 VENDOR TITLE VI AFFIRMATIONS:** The vendor represents and warrants the following with regard to the work performed by it under the purchase order:

- (a) Vendor and its subcontractors shall not discriminate on the grounds of race, color, national origin, creed, religion, political belief, sex, sexual orientation, age, or disability in the performance of this contract, including without limitation in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The vendor shall not participate either directly or indirectly in any discriminatory employment practices. Failure by the vendor to carry out these requirements is a material breach of any contract awarded and may result in the termination of the contract or such other remedy as TxDOT deems appropriate.
- (b) In any solicitations for subcontractors, including procurements of materials or leases of equipment and in all solicitations either by competitive bidding or negotiation made by the vendor for work to be performed under a subcontract, each potential subcontractor or supplier shall be notified by the vendor of the vendor's and subcontractor's obligations under its purchase order relative to nondiscrimination on the grounds of race, color, national origin, sex, age, or disability.
- (c) During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to collectively in this subsection (c) as the "contractor") agrees as follows:
  - (1) Compliance with Regulations: The contractor will comply with the Acts and the Regulations relative to Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, the Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
  - (2) Nondiscrimination: The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate either directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
  - (3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Nondiscrimination on the grounds of race, color, or national origin.
  - (4) Information and Reports: The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by TxDOT or the Federal Highway Administration (FHWA) to be pertinent and to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor will so certify to TxDOT or the FHWA, as appropriate, and shall set forth what efforts it has made to obtain the information.
  - (5) Sanctions for Noncompliance: In the event of a contractor's noncompliance with the nondiscrimination provisions of this contract, TxDOT will impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
    - a) withholding payments to the contractor under the contract until the contractor complies; and/or
    - b) cancelling, terminating, or suspending a contract, in whole or in part.
  - (6) Incorporation of Provisions: The contractor will include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of

equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as TxDOT or the FHWA may direct as a means of enforcing such provisions including sanctions for non-compliance. Provided, that if the contractor becomes involved in litigation with, or is threatened with litigation by, a subcontractor or supplier because of such direction, the contractor may request TxDOT to enter into any litigation to protect the interests of TxDOT. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

- (d) The contractor agrees to comply with the provisions of Appendix A attached hereto, which is incorporated by reference and made a part hereof.

**6.11 E-VERIFY:** Pursuant to Executive Order RP-80, Vendor certifies and ensures that for all contracts for services, Vendor shall, to the extent permitted by law, utilize the United States Department of Homeland Security's E-Verify system during the term of this agreement to determine the eligibility of:

- (a) All persons employed by Vendor during the term of this agreement to perform duties within the State of Texas; and
- (b) All persons, including subcontractors, assigned by Vendor to perform work pursuant to this agreement.

Violation of this provision constitutes a material breach of this agreement.

## **PART 7. DISPUTE RESOLUTION**

**7.01 DISPUTE RESOLUTION:** In accordance with Government Code, Chapter 2260, TxDOT has established a dispute resolution process in 43 Texas Administrative Code §§9.1 and 9.2 to resolve disputes that may arise between TxDOT and the vendor under the purchase order in 43 Texas Administrative Code §§9.1 and 9.2 (the dispute resolution process described by Government Code Chapter 2260 and 43 TAC §§9.1 and 9.2 referred to herein as the "dispute resolution process"). The dispute resolution process shall be used by TxDOT and the vendor to resolve disputes arising under the purchase order, including without limitation any claim for breach of contract. The contested case process provided in Chapter 2260 is the vendor's sole and exclusive process for seeking a remedy for an alleged breach of contract by TxDOT if the parties are unable to resolve their disputes as described above. Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the contract by TxDOT nor any other conduct of any representative of TxDOT relating to the contract shall be considered a waiver of sovereign immunity to suit. Notwithstanding any provision of the purchase order to the contrary, unless otherwise agreed in writing by TxDOT, the vendor shall continue performance and shall not be excused from performance during the period of contract claim or dispute is pending; however, the vendor may suspend performance during the pendency of such claim or dispute if the vendor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

## **PART 8. CONTRACT TERMS**

**8.01 TERM OF CONTRACT:** The term of the contract shall be as stated on the purchase order.

**8.02 ORDER OF PRECEDENCE:** In the event of conflicts or inconsistencies between this contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the order specified on the purchase order.

### **8.03 TERMINATION OF A PURCHASE ORDER**

- (a) **FOR CAUSE:** If vendor fails to provide a good or service according to the provisions of the purchase order or fails to comply with any term or condition of the purchase order, or if any representation or certification made in the purchase order or any related document is false, incomplete or inaccurate, TxDOT may immediately terminate the purchase order upon written notice to the vendor. TxDOT may, at its option, re-solicit or award the purchase order to the next lowest responsive and responsible respondent. The defaulting vendor will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work

unless the specification or scope of work is significantly changed. If vendor defaults on the purchase order, TxDOT may purchase the goods or service elsewhere and charge any increase in cost to the defaulting vendor. TxDOT may impose sanctions, debar or suspend the vendor for abandonment or default(s) on the purchase order. Termination is not an exclusive remedy, but will be in addition to any other remedies TxDOT may have by law, in equity, or under the contract. TxDOT may exercise any other right, remedy or privilege which may be available to it under applicable law or may proceed by appropriate court action to enforce the provisions of the contract. The exercise of any of the foregoing remedies will not constitute a termination of the contract unless TxDOT notifies the vendor in writing prior to the exercise of such remedy. The vendor shall be responsible for all costs and expenses, including court costs, incurred by TxDOT with respect to the enforcement of any of the remedies listed herein.

- (b) **FOR CONVENIENCE:** The purchase order may be terminated in whole or in part, without penalty, by either party by providing thirty (30) days written notice to the other party. In the event of such termination, the vendor shall, unless otherwise agreed in writing, cease all work immediately upon the effective date of termination. TxDOT will be liable only for payments for goods or services ordered before the termination date. With regard to services, TxDOT will pay the vendor the purchase order price prorated for acceptable service performed up to the date specified in the notice of termination. Termination under this paragraph shall not relieve the vendor of any obligation or liability that has occurred prior to termination. The vendor shall refund any balance of unused prepaid funds.

**8.04 SALE OR ASSIGNMENT:** The purchase order is void if sold or assigned to another company without written approval from TxDOT. Written notification of changes to company name, address, telephone number, etc. shall be provided to TxDOT as soon as possible but not later than thirty (30) days from the date of change.

**8.05 RENEWAL OF BLANKET PURCHASE ORDER FOR GOODS:** A blanket purchase order for goods may be renewed for up to three additional like periods of time at the original price, terms and conditions, and any approved changes. Any changes will be clearly detailed in the amended purchase order.

**8.06 RENEWAL OF PURCHASE ORDER FOR SERVICES:** The purchase order may be renewed for up to three additional like periods of time at the same terms and conditions, or as otherwise stated in the solicitation, provided both parties agree in writing to do so prior to the expiration of the purchase order.

**8.07 RENEWAL OF PURCHASE ORDER FOR NEGOTIATED GOODS OR SERVICES**

- (a) The purchase order may be renewed for up to three additional like periods of time at the same terms and conditions, or as otherwise stated in the solicitation, provided both parties agree in writing to do so prior to the expiration of the purchase order.
- (b) For purchase orders issued using the RFP or RFO method of purchase, TxDOT reserves the right to negotiate additional time if circumstances require. TxDOT and the vendor may negotiate additional time and price based on the deliverable or need in the best interest of the state and TxDOT.

**8.08 EXTENSION OF PURCHASE ORDERS**

- (a) TxDOT reserves the right to extend a purchase order for time only past the stated term to allow the vendor to complete the requirements or to accommodate unanticipated events or requirements prior to the expiration of the purchase order.
- (b) A purchase order in its final renewal period may be further extended for time and money for a period up to ninety (90) days at the option of TxDOT.
- (c) The vendor may request a time only extension of a purchase order by submitting written justification to TxDOT. TxDOT will approve or decline the request for extension in writing. An extension will only be effective if it is issued by the TxDOT purchasing department in the form of a purchase order change notice.

**8.09 SEVERABILITY CLAUSE:** In the event that any provision(s) of this purchase order may later be determined to be invalid, void, or unenforceable, then the remaining provisions of this purchase order shall remain in full force and effect.

**8.10 BINDING EFFECT AND SURVIVAL OF OBLIGATIONS**

- (a) By executing this purchase order, the vendor binds itself, its respective successors and assignees, to the faithful performance of the terms and conditions and provisions of the purchase order.
- (b) Expiration or termination of the purchase order for any reason shall not release vendor from any liabilities or obligations set forth in the terms and conditions and purchase order or any work order that are expressly stated to survive any such expiration or termination or which by their nature are intended to be applicable following such expiration or termination, including any and all provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, invoice and fees verification. Upon expiration or termination of the purchase order for any reason, TxDOT shall retain ownership of all associated work products and documentation obtained from or created by the vendor under the purchase order. Vendor shall deliver all documents or other work product to TxDOT upon request, including original versions if so specified in the request.
- (c) The term of service stated on the purchase order is binding on the vendor regardless of the term on the originating agency contract or its purchase order.
