Solicitation No. 601CT0000001730

Questions & Answers (Q&A)

Q&A Posting Date: 1/15/2016

Ref #	Provider Question	TxDOT Answer
1.	<p>We have one question regarding the solicitation in the Q&A section regarding Q5.</p> <p>A clarification question, it states to provide "an example in the past five years of a grade separation structure design which include major water and railroad crossings on a rural highway...". Would it be acceptable to provide two examples, one example of each, or are you looking for one example that encompasses both major water and railroad?</p>	<p>Yes. It is acceptable to provide two examples to communicate your firms experience in each area of consideration.</p>
